Sub: - NSS-Special Camp- Proposal called for- Reg.

The proposal for Annual special camping programme of Higher Secondary National Service Scheme may be submitted in the proforma enclosed herewith before 6 December 2011. The starting date may be 24,25 or 26 December. The NSS grant for conducting special camp is yet to be released and it is likely to be delayed. As the camping date is fast approaching, let us not wait too long to start initial steps. The grant will be distributed as and when it is reached this office. Kindly attach with the proforma a receipt for Rs. 22500/- typed on an A4 sheet, signed by the Principal on a revenue stamp, to avoid further delay in the regard. No change has been announced by the Programme Advisers Cell, New Delhi regarding the theme of special camp. As such the exiting one (quoted below) may be followed.

“The theme is spread over five core areas given below.

- (1) Environment including preservation of natural resources and conservation of cultural/historical heritage;
- (2) Health, public sanitation and personal hygiene;

- (3) Rural development including project identification, programme formulation, implementation and evaluation;
- (4) Education and literacy including legal awareness; and
- (5) Emergency intervention including trauma care, initial counseling and data collection.

In this regard, Principals/Programme Officers are requested to kindly choose one of the above five core areas and put concerted effort to achieve excellence in a particular area and draft an action plan. The action plan should also provide for some hours devoted for giving the NSS volunteers adequate theoretical/academic input. Projects so identified should have an impact on the personality of the NSS Volunteers and also the lifestyle of the beneficiaries. Efforts may also be made to create durable assets. While doing so, it may also be ensured that we do not lose the essence of volunteerism, concern for the cause and dignity of labour.”

Further direction in this regard will be given in a few days.
