Sub: - NSS-Special Camp- Proposal called for- Reg.

The proposal for Annual special camping programme of Higher Secondary National Service Scheme may be submitted in the Proforma enclosed herewith before 8 December 2012. 7 day residential Special Camps in the state have to be started at 10am on 22 Dec 2012. As the camping date is fast approaching, let us not wait too long to start initial steps. The grant will be distributed as and when it is reached this office.

“The theme is spread over five core areas given below.

- (1) Environment including preservation of natural resources and conservation of Cultural/historical heritage;
- (2) Health - public sanitation, personal hygiene and Organ donation awareness campaign & collection of consent letters from donors.
- (3) Rural development including project identification, programme formulation, Implementation and evaluation;
- (4) Education and literacy including legal awareness; and
- (5) Promotion of Agriculture and Waste Management system.

In this regard, Principals/Programme Officers are requested to choose one of the above five core areas and put concerted effort to achieve excellence in a particular area and draft an action plan. The action plan should also provide for some hours devoted for giving the NSS volunteers adequate theoretical/academic input. Projects so identified should have an impact on the personality of the NSS Volunteers and also the lifestyle of the beneficiaries. Efforts may also be made to create durable assets. While doing so, it may also be ensured that we do not lose the essence of volunteerism, concern for the cause and dignity of labour. Further direction in this regard will be given in a few days.
