CIRCULAR

*Sub: Higher Secondary Education- ICT enabled Education- Training
on ICT-enabled Tools- Kottayam Dt. -reg.*

Ref: Circular of even No. and dated 2nd January 2010

As part of the ICT in School Scheme projects for developing the ICT enabled education content also are fast progressing. The modules for different subjects are being developed jointly by the faculties in College and Higher Secondary Schools. Some ICT based initial modules in the subjects Physics, Chemistry and Mathematics are ready for training and dissemination. IT@School Project is the implementation agency of the ICT Scheme. Instructions in this regard were issued vide Circular referred to above.

ICT-enabled training for the above subjects for Kottayam District is scheduled as shown below. There will be two batches for all the three subjects. There will be a Trainer Development Programme also preceding the field level training. Hence the Principals are directed to ensure that all the teachers who belong to the above subjects should attend the programmes without affecting the normal functioning of the school. All the participants shall bring Laptops for the training programme and if there is a shortage of laptops in Higher Secondary section the Principals shall make arrangements for sharing the Laptops of High School section. The Principals are directed to depute teachers for the training programmes detailed below.
