

CIRCULAR

96/NSS/DHSE/2011

Date: 15/06/2011

It has been noted that certain NSS Programme Officers hold the post for many years and that their works are so passive and not dynamic enough to cater the demands of the youth learner.

Principal are directed to select and propose new Programme Officers for their units, preferably in staff meeting convened for the purposes to substitute Programme Officers who are in charge of the unit for the last four years or more.

Inactive Programme officers who are reluctant to attend programme meetings, conferences, and training are also to be substituted.

The bio data of the new Programme Officer may be sent to the NSS Cell immediately after the selection. It may be noted that women Programme Officers in the state are very few in number and steps may be taken to get more women Programme Officers.

An advance copy of the letter may please be sent by e-mail dhsensskerala@gmail.com
