Sub:- HSE - Estt - Shifting of HSST in **CHEMISTRY** consequent on promotion or transfer and posting of Principals teaching the same subject --Normal  
Status - Orders issued.

No. Ad. B5/135054/HSE/I8

Dated : 18/01/2019

Read:- G.O (Rt). No.5298/2018/G.Edn dated 14/12/2018

**ORDER**

Vide the Government order read above, transfer and posting /promotion of principals were effected in various Government Higher Secondary schools. As the post of principals in Higher Secondary schools are teaching posts, the teachers in the same subjects as that of the principals became in excess than the sanctioned strength in the schools where the principals are posted. At the same time the post fell vacant in the respective schools of the principals were working before the issuance of the above Government orders.

For the best interest of students and to avoid additional financial commitment to Government, the following HSSTs in **Chemistry** have to be shifted from the schools where they are working now as the subject taught them is same as that of the Principals posted. Hence they are shifted and posted **with immediate effect** in the schools noted against their name. The teachers are shifted and posted to the school schools on 'normal status' as they have not completed three year Higher Secondary service in the district where they are working now.
