ORDER

Vide the Government orders read above, transfer and posting /promotion of principals were effected in various Government Higher Secondary schools. As the post of principals in Higher Secondary schools are teaching posts, the teachers in the same subjects as that of the principals became in excess than the sanctioned strength in the schools where the principals are posted. At the same time the post fell vacant in the schools from which teachers were relieved on promotion as per the above Government orders.

For the best interest of students and to avoid additional financial commitment to Government, the following HSSTs in **BOTANY**, have to be shifted from the schools where they are working now as the subject taught by her is the same as that of the Principals posted. Hence they are shifted and posted **with immediate effect** in the schools noted against their names. The teachers are shifted and posted in the same district where vacancies are available, and in case there are no vacancies in the same district, they are shifted to the nearest districts in the available vacancy. The teachers are shifted and posted to the schools noted against their names on 'conditional status' as their posting was made after General Transfer 2016 (01/06/2016) and they are still on conditional status.
