ORDER

Vide the Government orders read above, transfer and posting /promotion of principals were effected in various Government Higher Secondary schools. As the post of principals in Higher Secondary schools are teaching posts, the teachers in the same subjects as that of the principals became in excess than the sanctioned strength in the schools where the principals are posted. At the same time the post fell vacant in the schools from which teachers were relieved on promotion as per the above Government orders.

For the best interest of students and to avoid additional financial commitment to Government, the following HSST in **BOTANY** has to be shifted from the school where he is working now as the subject taught by him is same as that of the Principal posted. Hence he is shifted and posted **with immediate effect** in the school noted against his name and he is shifted to the nearest district in the available vacancy, as there is no vacancy in the present district. The teacher is shifted and posted to the new school on 'conditional status' because he is in normal status in present working district which is not his home station and the district which he is shifted is also not his home station.
