Sub: Career Guidance- PATH FINDER – Special programme for Civil Service Aspirants –
Selection of students for the State Level Workshop

In a developing country like India, Civil Service is always a dream of every adolescent. It is well known that even in an era of attractive job opportunities in the private sector, a career in the Indian Civil Services is a dream for lakhs of youth in India. The prestige associated with this career, mainly the IAS and IPS is evident from the number of students appearing for the exam. Being an IAS and IPS officer gives great opportunities to be part of the administrative system of the country in such a way that can help the common man in an effective manner. There are also umpteen opportunities for personal development and knowledge expansion in the career despite the systematic constraints.

In Kerala, the number of aspirants who got through the civil service exam was very low during the past few years. But the situation has changed a little for the last two years and major ranks including first and second have been attained by Keralites. This has given a new insight and inspirations to the upcoming aspirants. The words of the successful candidates reveal that systematic learning and effective planning from the Higher Secondary level itself will help the aspiring students to perform well in the examination and attain their dream career.

Career Guidance and Adolescent Counseling cell of the Department of Higher Secondary Education in association with **Kerala State Civil Services Academy** (A premier Institute of the Government of Kerala) is planning to conduct an orientation programme for the higher secondary students who are aspirants of All India Civil Services. A four days' residential training is planned as part of the programme. Experts in the field of civil service exam coaching and achievers will interact with students and guide them to attain their dream career. Twenty five students from each district will be selected for the orientation

programme. The four days' residential programme will be conducted at seven venues. One programme is for fifty students (25 each from one district)

To select 25 students from each district, a preliminary selection test is arranged at selected venues from **10.00 am to 12.00pm (Saturday) on 03rd September 2016**. **The Career Guide and the Principal of each school is directed to select one student of PLUS ONE CLASS, whom they consider as the most suitable candidate to appear for the preliminary selection test.**

Details of Preliminary Selection Test :

- 1 Questions will be of objective type
- 2 Questions will be from following areas
 - a. Current Affairs (last 6 months)
 - b. Physics, chemistry, biology, mathematics, history, geography, politics and economics of 10th std level.
 - c. Mathematical ability
