At this moment this Directorate place on record its sincere thanks to the DPI, the DDs, their staff, the staff of the Secretariat, the HSAs and the PD teachers for their whole hearted co operation. It was their sincere co operation that helped this highly understaffed department to bring forth the results in time.

The timely preparation of numerous softwares, their maintenance, their monitoring by NIC team made the whole process of examination simple and accurate. It is the strenuous efforts, co operation and timely intervention of the NIC under the leadership of Smt. Bindu S. Kumar and Smt Nissy George, that made the whole process a complete success.

The sincere efforts and unstinted co-operation of the staff members of the Higher Secondary Directorate throughout the entire process of the examination work is noteworthy.

The software prepared by Shri. Vinod V, Shri Sajan Mathew, Shri Sunil Kariaden, Shri Sathian, and Shri Dileep needs special mention as their software simplified much of the strenuous and time consuming work associated with the examination.

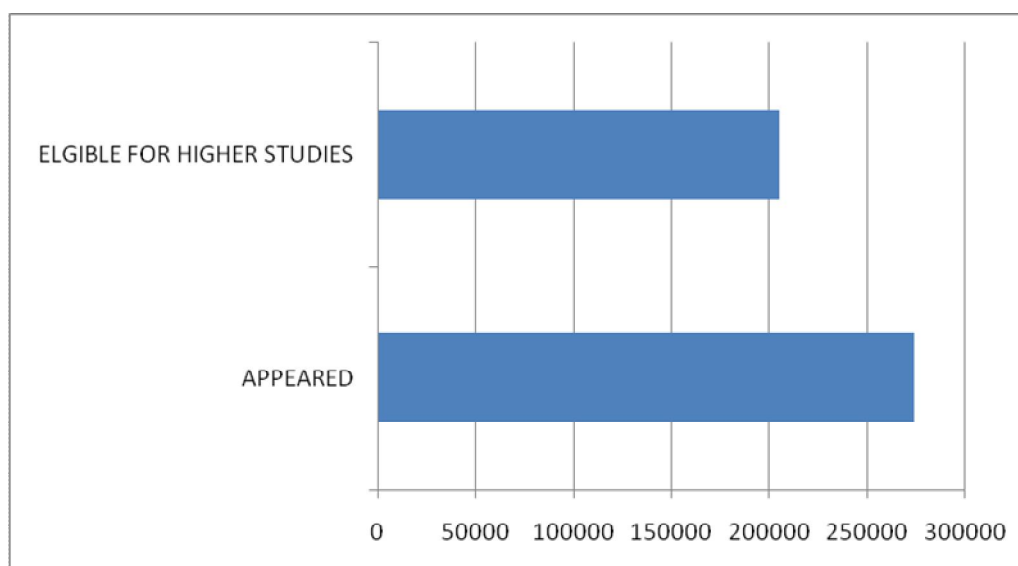

The district coordinators had rendered tremendous help and vigil in sticking to the time schedule during the whole examination process. I take this opportunity to acknowledge the tiresome and dedicated work of the camp officials in managing the valuation process and thus paved the way for timely publication of the result.
